The Bonaire is a statement in contemporary coastal design, where clean lines, integrated outdoor spaces, and thoughtfully curated interiors come together to create a home of understated luxury. Designed to capture natural light and foster a seamless connection to the surrounding landscape, every space is crafted to elevate a refined coastal lifestyle. Sophisticated yet approachable, the Bonaire blends modern elegance with timeless coastal charm, offering an exceptional setting for life by the water.

Located within Delamar, residents enjoy exceptional waterfront amenities, including a private boat launch, boat slips, boat storage, a resort-style pool, a fitness center, tennis and pickleball courts, and outdoor gathering spaces. Just minutes from area beaches, shopping, dining, and Wilmington, Delamar offers the perfect balance of coastal tranquility and modern convenience.
